FOR IMMEDIATE RELEASE

THE IM GROUP'S CLIENT BASE EXPANDED DRAMATICALLY IN 2006

GREENWICH, Conn., February 13, 2007 – The IM Group signed eight new clients in the second half of 2006. This is in addition to the twelve previously announced clients in the first half of 2006. These eight clients have a total of 54 locations in 22 states. The IM Group's multiple-year responsibilities include obtaining financial benefits and incentives from state, county and local governments. These benefits enable clients to lower their costs for training, adding new jobs, retaining existing jobs and investing in capital improvements.

The IM Group's eight new clients are: ABB Inc. of Norwalk, CT; the Barksdale Division of Crane Co. in Los Angeles, CA; City Furniture of Tamarac, FL; McCain Foods USA Inc. of Lisle, IL; Solae LLC of Saint Louis, MO; Superior Window Corporation of Hialeah, FL; Thermal Transfer Products of Racine, WI; Tracker Marine Group of Springfield, MO; and the Vinyl Products Division of Pella Corporation in Gettysburg, PA. ABB is the largest new client and will likely represent 50 percent of the benefits that the IM Group will obtain for these eight new clients.

"2006 was a very satisfying year for us," said Marty Abbott, Chairman and President of the firm. "The marketplace is receiving our services offering very well, as evidenced by the fact that 50 percent of prospects to whom we make a presentation sign a contract with us. We believe our track record of achieving our forecasts for our clients is the main reason for the high acceptance."

The IM Group (www.the-imgroup.com) is a professional services firm assisting clients in obtaining financial benefits and incentives from state, county and local governments. The opportunity for these benefits comes about in respect of client activities in training, new jobs, retained jobs and investments. The IM Group works in states representing 86% of Gross Domestic Product and is incorporated as InterMedium Group, Inc. of Greenwich, CT. The IM Group has over thirty-five clients representing a broad array of industries and sectors.
